

Berea Group of Colleges

16 March 2020

COMMUNIQUE FROM THE OFFICE OF THE RECTOR

Berea Technical College, Berea College of Technology and Berea Matric School

Dear Students and Parents

RE. CORONAVIRUS (COVID-19)

Following the announcement by President Cyril Ramaphosa on Sunday, 15 March on the Coronavirus, which has been declared a National Disaster, the Berea Group of Colleges has consulted with relevant stakeholders and management has taken a decision to postpone the Academic Programme of its 3 campuses, including Berea Technical College, Berea College of Technology and Berea Matric School, from 17 March to resume again on Monday, 23 March 2020. All admin support services will continue as normal.

For daily updates on the academic interventions from the college, students and parents must check the various communication touchpoints from the college including SMSes, WhatsApp, the college websites and social media platforms.

The college will continue to monitor the situation both locally, nationally and internationally, and will issue a formal communication again on Friday, 20 March with an update.

The safety and health of our students and staff remains our top priority, as the college embarks on a rigorous awareness drive on COVID-19, its impact, the symptoms and the precautionary measures to be taken. The college thanks all parents and students for their continuous support as we collectively look at the best solutions.

For further information, parents and students can contact the College on 031 827 8300.

Yours sincerely,

Prof. C Kistan
Rector
